This is a correction for Lennox RD, Sternquist MA and Paredes A. A Simplified Method for Routine Outcome Monitoring after Drug Abuse Treatment. *Substance Abuse: Research and Treatment*. 2013;7 155–169. DOI 10.1047/SART.S12691.

A potential competing non-financial interest was not disclosed by an author of this paper. Dr. Paredes is a member

of Narconon International’s volunteer science advisory committee. The editor in chief acknowledges that the non-disclosure was unintentional and that the authors responded promptly and constructively when the matter was raised. This matter has been investigated in accordance with the relevant COPE procedure.
